Lesson 2 – Ramiro’s Adventure

There was once a little boy named Ramiro coming home from his first day of school. The first thing Ramiro did when he got home was watch TV and play video games for a very long time. Ramiro’s mother tried to get him to play outside, but Ramiro only wanted to sit in front of the television.

When it was time to eat, Ramiro’s mother made enchiladas with rice, beans, and a salad on the side. Ramiro loved enchiladas, but he didn’t touch any of the other food on his plate. Ramiro’s dad told him to try the other food, especially the salad, but Ramiro just said, “yuck, no way José.”

After dinner Ramiro went to his bed to go to sleep. When Ramiro woke up he saw the sun rising, but it looked strange. This sun was smiling and had . . . sunglasses. Whoever heard of sunglasses on the sun? Then this sun started walking toward Ramiro’s window.

Before Ramiro could hide under his blanket, the sun spoke and said, “Hello Ramiro, my name is Sunny! I’m so glad I found you. I need your help by going on an adventure with me to save NEEMA land from a bad monster called Diabetes! Will you help me?”

Lección 2- La Aventura de Ramiro

Había una vez un niño de nombre Ramiro quien regresaba a casa después de su primer día de clases. Lo primero que Ramiro hizo al llegar su casa fue ver la televisión y jugar sus videojuegos por muchas horas. La mamá quería que Ramiro saliera a jugar, pero Ramiro solo quería estar sentado frente al televisor.

A la hora de comer, la mamá de Ramiro hizo enchiladas, arroz, frijoles y ensalada de verduras. A Ramiro le encantaban las enchiladas, pero en su plato dejó el resto de las comidas. El papá pidió a Ramiro probar las otras comidas, especialmente la ensalada, pero Ramiro dijo, "¡No! guacala!"

Después de la cena, Ramiro se fue a dormir. Al despertar, Ramiro vio que salía el sol. Y el sol se veía extraño. El sol sonreía y traía puestos unos lentes oscuros. ¿Quién ha oído hablar a un sol usando lentes oscuros? Entonces el sol se acercó a la ventana de Ramiro.

Antes de que Ramiro pudiera esconderse debajo de su cobija, el sol dijo: "¡Hola Ramiro, me llamo Sunny! Estoy muy contento de haberte encontrado. ¡Necesito tu ayuda, me gustaría que me acompañaras en una aventura para salvar la tierra de NEEMA de un monstruo malo llamado Diabetes! ¿Me ayudas?"
